

The **Leicester Magic Circle** Presents

# Oliver Tabor

**MONDAY**  
**2<sup>nd</sup> October 2023**

Oliver is a full time stage and close-up magician specialising in visual stage magic, who regularly performs his stage/cabaret acts in theatre shows and cabaret venues around the UK and London, including the Hippodrome Casino. He is past president of the International Brotherhood of Magicians British Ring and his London show, West End Magic, is celebrating 10 years at the Leicester Square Theatre and is currently on a UK theatre tour.

His lecture shares effects, routines and ideas for close-up, mentalism and stage. He'll explain his process and inspiration behind a bubble act which includes magic and basic manipulation with bubbles, balls, and a bottle appearance. He'll cover his thoughts on stage magic, with an introduction into how the techniques, psychology and rules followed by stage manipulators can easily be applied to all performance situations and share techniques on performance and showmanship. He'll also explain effects and routines from his working close-up set and parlour show, plus explain the thoughts and workings of how a dove steal can be easily adapted to produce a range of different objects.

Products and lecture notes are available to purchase after.
