Guest Lecturer – Steve Gore

Steve Gore is presenting his brand-new lecture, Classics Reimagined. It will include all his latest effects including 'The Casino Con', relaunched with Alakazam. The No 1 best seller effect on Penguin Magic... 'Flight Deck' & 'Together Forever' also due for release with Penguin. Plus, his 'Book to the Future' which was distributed by Murphys! Plus...there are lots of classic plots that have been reimagined that you can make yourself using items you probably already own. There really is something for everyone from close uppers to stage and family entertainers and even a couple for the mentalists!

He is officially known as "The Happiest Magician on the Planet!"... according to Google... and is a truly versatile magical entertainer who regularly performs magic of all types and has been performing magic professionally for over thirty-four years.

Steve is a Past President of the Northern Magic Circle, twice President for the Bradford Magic Circle, and is also member of the International Brotherhood of Magicians (British Ring).

Steve also regularly lectures his own magic inventions/creations at magic clubs throughout the UK, including the Magic Circle in London, the IBM Malta ring and he's also lectured twice at the world-famous Magic Castle in Hollywood, LA, where he has performed 21 parlour shows, 16 close up shows and 8 family shows for US stars including Josh Brolin, David Blaine and Sir Patrick Stewart.
